To
The Secretary to the Government
Agriculture Department

No.X.2/18325/55 dated 4-10-55.

Sir,

Sub: FISHERIES - Fisheries Demonstration Factories -
Boiler Foreman and Mazdoor - Appointment of -
Proposals - submitted.

Ref: G.O.No.Ms.2232 Development dated 12-5-53.

Government in G.O.No.MS.2232 Development dated 12-5-53 sanctioned the purchase and erection of a fishmeal plant at the Technological station, Kozhikode. I submit below proposals for the appointment of one boiler foreman and one mazdoor to operate the boiler installed in the above fish meal plant. It is proposed to inaugurate the opening ceremony of the plant on 16th October 1955 and the plant will be put into commission immediately if the catches are good.

The boiler installed in the fish meal plant is almost of the same dimension and capacity as the ~~Government Oil Factory~~ boiler and in the Government Oil Factory, the boiler foreman at these institutions is in the scale of Rs.40-2-50. The same scale of pay has to be paid to the incumbent proposed to be appointed at the Technological station also. Only trained hands can operate the boiler according to Factory Rules and it is difficult to get such people at lesser rate. The mazdoor can be paid wages at market rate subject to maximum of Rs.15/p.m. excluding Deanness allowance. The boiler foreman and Mazdoor may be appointed for a period of 6 months in the first instance from the date of appointment.

It is expected that the plant will be put in commission from ~~the~~ Superintendent, Fisheries Technological station has stated that he would manage the operations with the above bare minimum staff at present and would submit proposals for the appointment of additional staff consistent with the production if found necessary, after studying the working conditions for a period of six months.

I request that the Government will be pleased to sanction the appointment of one boiler ~~in~~ foreman in the scale of Rs.40-2-50 and one mazdoor to be paid at market rates for a period of six months from the date of appointment or from 1-11-55 whichever is earlier.

I solicit early orders so that the operations may be started immediately after the inauguration function is over and if the fishery is good.

for Director of Industries and Commerce.
